Dear Valued Client,

Although our most important role for you is being a good steward to your dental health, we also realize how important a great smile is to everyone's self-confidence. That's why we offer the [ZOOM! Whitening](#) procedure in our office.

Non-professional procedures and clinically unproven teeth whitening tips can often lead to unsatisfactory results. You should look for a whitening procedure that is:

- § Fast and convenient
- § Long lasting
- § Low sensitivity
- § Proven to be safe and effective
- § Performed by a Dental Professional
