We are very excited to welcome another wonderful dentist to our team this month, Dr. Natalie Mercho.

Dr. Mercho was raised in a small town just outside Indianapolis, Indiana. After her high school graduation, she attended Indiana University in Bloomington, Indiana where she obtained her Bachelor of Arts in Psychology and French. During her college career, she was accepted into a study abroad program where she spent the spring semester of her junior year in Paris, France.

In 2002, Dr. Mercho moved to Baltimore after being accepted into the University of Maryland Dental School. During Dental School, she was affiliated with many social and educational clubs such as the Academy of General Dentistry and Psi Omega. After graduation, Dr. Mercho continued her education by completing two years of advanced training in a General Practice Residency (GPR). Her first year was in Brooklyn, New York, where not only did she become proficient in her dental skills, but she fulfilled her life long dream of living in the Big Apple. Once she completed this training, she was hungry for more and decided to move back to Baltimore to attend another year of training at the VA Medical Center. Here, she excelled in additional training such as endodontics and oral surgery including implants.

Dr. Mercho recently got married in November 2008 in Naples, Florida. She and her husband enjoy living in the Fells Point and all the city life has to offer. Dr. Mercho also enjoys traveling, swimming, tennis, yoga, water and snow skiing.
